

DEPARTMENT ELECTRICAL & COMPUTER ENGINEERING
SMITH ENGINEERING
Term Adjunct Position
Academic Year 2025-2026

Posting Date: February 13, 2026

Closing Date: March 13, 2026

The Department of Electrical and Computer Engineering in the Faculty of Smith Engineering at Queen's University requests applications from suitably qualified candidates interested in teaching the following undergraduate course in the 2025-2026 session.

Summer Term Course: April 18, 2026 – August 31, 2026

APSC 145 Introduction to Computer Programming for Engineers

Units: 3.30

This course introduces concepts, theory and practice of computer programming. Implementation uses microcomputers. The emphasis is on the design of correct and efficient algorithms and on programming style. Applications are made to engineering problems.

NOTE: This course is only available to students in the college bridging program.

K3.3(Lec: Yes, Lab: Yes, Tut: No)

Anticipated course enrolment: 40

Offering Term: S

CEAB Units:

Mathematics 0

Natural Sciences 0

Complementary Studies 0

Engineering Science 40

Engineering Design 0

Offering Faculty: Smith Engineering

Qualifications:

Minimum of a M.A.Sc. in Electrical & Computer Engineering or a related field, expertise in the field relevant to the course, and appropriate teaching experience. Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as be capable of working as a member of a teaching team. Prior teaching experience in project-based engineering courses and lecture-based engineering courses would be a strong asset. Preference will be given to candidates who are registered as professional engineers in the province of Ontario.

The stipend for this position will be between \$9,500 and \$13,500. Actual salary will be commensurate with years of teaching experience and course weight, as per the Queen's-QUFA Collective Agreement.

This posting is to fill an existing vacancy within the University.

Teaching requirement:

The above advertised course will be taught on campus. Summer term classes begin on Monday May 4, 2026. The appointment will run from April 18, 2026 to August 31, 2026.

Queen's University is committed to employment equity and diversity in the workplace, and it invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority.

Academic staff at Queen's University are governed by a collective agreement between QUFA, and Queen's University.

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended effective May 1, 2022, but the University may reinstate them at any point.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact ECE Reception. Email: ecerecpt@queensu.ca

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: **I am a Canadian citizen/permanent resident of Canada; OR I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.**

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any relevant other materials the candidate wishes to submit for consideration. Applications can be

submitted to the ECE Appointments Committee at the address below, or by email to ECE Reception. Email: ecerecpt@queensu.ca

Applications should be received **no later than March 13, 2026**.
